**Re: Knutton Consulting - ECHO Group Letter of APPRECIATION**

Dear Simon,

I want you to know how much we (ECHO Group) enjoy working with yourself personally and Knutton Consulting in general for over 20 years. We consider you a special joint venture (JV) partner in our precast concrete engineering line of expertise.

We appreciate the close working relationship developed with you on numerous projects; but we also appreciate the positive lift we get from working with you.

I would like to take this opportunity to thank you for choosing ECHO Group as your preferred precast concrete products & service provider for your consulting engineering practice.

We are proud to welcome our satisfied JV Partner and look forward to many years of working together.

Once again, thank you for your business.

Yours sincerely,

**Daniel Petrov**
